"ANAGLYPTA" FRIEZES.

The Frieze is often the determining influence in the development of wall decoration.

Our comprehensive stock comprises designs in all periods and in widths from 8 in. to 30 in.

Decorated Mouldings from 3 in. to 5½ in. wide, with detached ornaments, can be suitably adapted to any space.

The following designs are useful suggestions in light and bold relief.

No. 1115 has a separate pendant intended as a finish or extension.

The ship series has attracted wide attention and can be beautifully developed with glazes or elaborated in color.

Use a heavy paste for hanging "ANAGLYPTA" and add Dextrine, Molasses, or Brown Sugar.

Full directions sent with each order.
